One nursing trolley, a thousand possibilities – the modular MPO system.

In the healthcare sector, nursing trolleys, dressing trolleys and medication trolleys have to fulfil a wide range of requirements. ZARGES modular nursing and organisation

trolleys can be tailored exactly to individual wishes and requirements in order to be optimally equipped for all kinds of applications.

1 Worktop options. ABS plastic with and without raised edges or flat HPL plastic. **2 Ergonomic handle.** Plastic-coated cast aluminium for comfortable handling, easy to clean. **3 Side wall.** Available with coloured centre segment. **4 Bumpers.** Abrasion- and disinfectant-resistant plastic padding. **5 Wheels.** 4 precision dual swivel castors, Ø 125 mm, for maximum mobility in confined spaces, 2 of which with brakes, available with bumper. **6 Corner profiles.** Made of anodised aluminium. **7 Trolley base.** Made from PPH plastic. **8 Drawer handles.** Plastic-coated cast aluminium for comfortable handling, easy to clean, available in 5 different colours.

Rolling tambour doors with variable telescopic rails
Suitable for ZARGES ISO modules and modular drawers, mounted on telescopic soft-close rails.

Open with modular drawers
Mounted on telescopic rails and removable.

Configure your perfect nursing trolley – For your everyday needs

In addition to a wide range of tried-and-tested standard models, all nursing and organisation trolleys can be configured to suit your everyday needs. The options include everything from the selection of drawer fronts or rolling tambour doors right through to support systems for the slide-in units.

The support systems can be adapted to your specific requirements, and different materials and features can be combined for the worktop. We would be glad to help you put together your individual solution.

Well stocked in every situation: MPO storage trolleys.

It is important to ensure you have the right amount of the required supplies in the right place and at the right time. The MPO storage trolley is able to help achieve just that. It meets hygiene requirements and is easy to clean as

the rolling tambour doors and all fittings can be removed individually without the need for any tools. The materials used (aluminium, plastic and ABS) guarantee sturdiness and a long service life.

MPO storage trolleys.

- 1 Corner profiles.** Ergonomically shaped anodised aluminium profile sections.
- 2 Front panel.** Anodised aluminium, can be fitted without tools, can be supplied with cylinder, combination or card lock.
- 3 Interior fittings.** Modular drawers, modular baskets and shelf compartments can be installed as required on plastic support walls and telescopic rails.
- 4 Trolley base.** Made of sturdy PPH sheets without undercut, easy to clean.
- 5 Side walls and rear wall.** Made of plastic-coated aluminium, white, available in other colours.
- 6 Chassis.** 4 dual swivel castors with Ø 125 mm, 2 of which with wheel brakes.
- 7 Rolling tambour door.** Space-saving design thanks to plastic tambour door, which can be removed without tools for cleaning.
